**MY SCOOP MEDIA, INC. AND GUS MAYER TO HOST  
MY FAVORITE THINGS EVENT BENEFITING GLENWOOD**

(BIRMINGHAM, Ala.) — My Scoop Media, Inc., [www.myscoop.us](http://www.myscoop.us), will partner with Glenwood as it beneficiary for the upcoming My Favorite Things Party presented by Gus Mayer to be held on Tuesday, November 17. In lieu of a ticket price, attendees are asked to bring a new unwrapped toy as their entry into the event.

“One in 150 children born today will be diagnosed with an Autism Spectrum Disorder. Glenwood, Autism & Behavioral Health Center, is a leader and expert in the autism field, said Rebecca Sibley, Director of Resource Development. “The toys donated and funds raised will provide our residential participants with an exciting Christmas that will last far beyond the Holidays. We are thankful for My Scoop and guests of My Favorite Things for investing in the lives of children with autism.”

This year, My Scoop and Gus Mayer will select five to ten of their favorite items for the holidays that will be wrapped individually in boxes of different sizes with beautiful holiday paper. Guests may place a bid on each of the boxes and the money generated from this would also benefit Glenwood.

My Favorite Things Event will take place Tuesday, November 17 from 6-8:30 p.m. at Gus Mayer.
